

CALL FOR SUBMISSIONS

LA CENTRALE GALERIE POWERHOUSE ANNOUNCES NEW CALL FOR SUBMISSIONS
DEADLINES : MARCH 15 & OCTOBER 15 of every year !

Growing out of the feminist art movement and founded in 1973, La Centrale galerie Powerhouse is one of the oldest artist-run centers in Quebec. The center's mandate expands on a history of feminist art practices and engages a broader spectrum of underrepresented artists and their initiatives within established art institutions. The gallery aims to provide a platform for contemporary art informed by feminist and gender theory, as well as intercultural and transdisciplinary practices. This involves networking and developing professional exchanges at the local, national and international levels. We promote the work of artists at all stages of their careers to allow for intergenerational dialogue. The programming and events at the gallery are a reflection of our members and their interests and involvements.

Please include the following with your application :

- A curriculum vitae
- A project proposal including artist statement and description of technical requirements (500 words maximum)
